REVENUE DEPARTMENT

G.O.MS.NO. 1672. Dated the 16th July 1948.
Read the following:-
From the Board of Revenue GR.2547-XB2 dated 27.4.48.

O R D E R:

In its reference quoted above, the Board of Revenue has recommended in consultation with the Inspector-General of Police:

(i) that the relevant rules should be suitably amended so as to provide for transfers being made from Excise Department to the Police Department for Prohibition work, without the consent of the individuals concerned; and

(ii) that the Madras Police Subordinate Service Rules should be suitably amended so as to provide for the retransfer to the Excise Department of the Excise staff taken to the Police Department for Prohibition work, if they were found unfit or for other reasons.

As regards item (i) above the Government consider that any officer of the Excise Department, who is surplus to requirements, but does not consent to a transfer to a department in which the Government may find it possible to absorb him ought to be discharged and given such gratuity or pension as may be admissible to him under the rules If, however, the officer concerned consents to such transfer, he will be bound by all the rules applicable to officers of the service to which he is transferred. The Government therefore consider that no amendments to rules ~~th~~ are necessary.

As regards item (ii) above the Government consider that no amendment to the Madras Police Subordinate Service Rules is necessary in order to provide for the retransfer to the Excise Department of Excise Officers taken to the police department for Prohibition work if found unfit or for other reasons, as these officers will either be taken into the Police department on a temporary basis of if appointed regularly, be on probation in the beginning, so that it will be open to the appropriate authorities to re-vert them to the Excise department if found unfit or for other reasons.
